DRIVING COMMUNITY TRANSFORMATION

In 2023, Security State Bank launched the Center for Community Transformation, a non-profit organization focused on addressing local socio-economic challenges. With the support of a \$1,000,000 grant from the Federal Home Loan Bank (FHLBank), the center implemented impactful programs to enhance financial literacy, support affordable housing initiatives, and provide resources for small business development. This effort highlights the bank's leadership in fostering economic growth and empowering underserved communities across Oklahoma.
